

As they  
grow older  
this ability has  
a tendency  
to fade...

KINDERGARTEN  
OF  
EVIL

What is called  
a person's "dark  
corner" reveals during  
the period of  
infancy.

Gooodd!  
That's a riddle  
I had to solve  
I can't do anything  
FOR NOW TO ADY  
JUST HURRY UP  
AND GO!

Goood—  
and now  
we'll go back  
because we use  
the world  
well.

Good!  
That's enough  
you'll never  
be an adult.

Good—  
we're  
done.

Good.  
We're  
done.

AFTER ALL,  
HE WILL  
BE LOVED  
SOMEONE.

Good.  
BUT AT SOME  
POINT HE'LL  
BECOME THE  
DISAPPOINTED

God—  
LOVE THE  
DISAPPOINTED

I'M READY  
TO GO TO  
BED NOW

THANK YOU  
FOR NIGHT
